Leader’s Report

SOCCER PROGRAMME

Our soccer programme is proving to be highly successful. 19 students are currently in this programme where they do soccer as part of the curriculum 4 mornings a week. Monday morning we work with Hamilton High students on developing skills, Tuesday and Thursday morning students receive specialist skills coaching from Cristiano and Wednesday we do theory. The students also play against other schools and have many internal games.

The soccer programme is available to all students in 2015 in years 3 to 7. Students do not have to be current students at Ascot Park.

I would ask all current parents to publisize this programme to friends, relatives etc as I would hope to get a large number of kids enrolling in the soccer programme for 2015.

STUDENT FREE DAY & SCHOOL CLOSURE DAY – PRE WARING

We have a student free day on Monday 8th September where staff is engaged in professional development and a school closure day on Tuesday 9th September for the Royal Show.

Please put these dates in your diaries.

END of TERM 2

Please note that the last day of this term is next Friday, 4th July. School finishes at 2:10pm so please ensure your child is collected at that time.

Thanks in anticipation!
Family Maths Challenge

Talk about the Maths Challenge as a family and see how you all solve the problems. Record how you do the challenge and then bring it into school (with name and class) and post it into the Maths Box in the office by Friday. We will acknowledge students’ and family efforts in the next newsletter.

We had a great time with the police band who came to play for us and tell us a bit about their work. One of the things that is a bit worrying was that children think the number 911 is for emergencies. It is . . . but only in the USA!!!

If you have an emergency the number to call is 000.

Garden Club – Heather Smith

Garden Club decided to buy a passion fruit vine with the left over money from our Mothers’ Day Sale. Our idea was that it could grow over the western fence so that eventually when it was big enough the fruit could be picked on both sides of the fence.

In this way our whole community could benefit because fruit could be picked at any time on the other side of the fence.

We had this sign to tell the community that we are willing to share our passionfruit.

You can see the sign on the fence behind Shaun in the top picture.

As you can see Shaun is showing how big our vine is at present.

We had to buy a trainer for it so that it could grow quite big and strong before it went over the fence.

We have made a new garden bed. In the left corner you can see a Greek Basil plant. The plants that Shaun is weeding around are giant marigolds. We put them in because they keep nasty bugs (like nematodes) out of the soil.
Performing Arts – Heather Smith

This term the reception children learned how to act a play using scenery, props & masks. They acted out ‘The Three Little Pigs’ and practised being a good audience.

We all practised the lines...

Little pig, little pig! Let me come in. Not by the hair of my chinny, chin, chin! Then I'll huff and I'll puff and I'll blow your house in!

In this part the wolf climbs down the chimney and burns its bottom in the fire. Then it runs away into the forest after yelling ‘Owwwwww!’

Here are the three little pigs in their houses.

The wolf has blown down the straw house and now she is asking the pigs in the stick house if she can come in.

We used the scenery for one of our dances called ‘Highway Number One.’ We really felt like we were travelling around the country when we did this because we had to go around and behind the scenery. It was good practice for our spatial awareness.

We also practised performing THE THREE BILLY GOATS GRUFF + GOLDILOCKS & THE 3 BEARS. Everyone had a turn. We had to remember to perform in small, medium & big voices which had to be high & low as well as soft & loud.
