School Spiders	\$2.00
Made with natural sparkling mineral water, a squeeze of fresh juice and a scoop of ice cream. It's fluffy, it's fizzy, it's fruitfully YUMMY!	

## How to order lunch

1. Fill in a lunch order form (found in the lunch order box in classrooms or at the front office).
2. Choose from the canteen menu what you'd like for lunch (eg. Hamburger with salad, a drink and a piece of fruit).
3. Write your order on the bag with your name and class.
4. Ensure you have enough money for your order and place it in the bag.
5. Leave the bag in the lunch order tray in the classroom.
6. Orders are taken to the canteen in the morning and filled in time for lunch. Lunch orders are picked up just before lunch so everyone can enjoy lunch with the rest of the class.

# Canteen Menu 2016

Hi!

Hello and welcome to our **new menu!** Please take time to read through the reverse side of this page as there are many changes.

Firstly, nearly all of our food is now **homemade!** That's right: we bake and cook yummy food in the canteen itself. We've focused on making our food nutritious and delicious as well as affordable. **You will notice a significant drop in prices.**

We aim to serve happy, healthy foods daily with a "Funky Friday" special every month. We are also available to cater events in the local area and on the school campus. This year we're hoping to see an increase in Canteen use overall and we really hope you can be a part of it. We invite you to come and see the new canteen and eating area for the kids. The feedback has been great and we got a really good atmosphere happening on the first day.

You can help support us in many ways: volunteer a day or two (no experience necessary!), come in and share your ideas or just pop in for a chat and a cuppa.

Get behind lunch orders and special treat days. The more people we have using the canteen, the lower we can keep prices and the better quality the food! Without the support of parents, our canteen simply cannot continue to function. There will be fresh new foods daily for the students to purchase - a dollar or two will go a long way!

There are two brand new initiatives the canteen is starting this year: **Party Platters** and **Excursion Packs**.

Excursion packs will be arranged direct through teachers with parent consent forms when a teacher is organising an excursion. These packs will cater for all the kids' food requirements on days when they are offsite on an excursion. They will be healthy, convenient for eating on the go and great value. There is more detail on Party Platters below.

Thanks for your support and I truly hope to see you at our new canteen.

Janine Lambert  
Canteen Manager

## Party Platters

Our party platters are a great option for kids wishing to celebrate a special day with their classmates. All orders include a special cupcake and candle for the birthday boy or girl and are delivered direct to the classroom. Orders must be received at least a day in advance. Alternative platters can be arranged. Please see the canteen manager. We also cater to all dietary needs. Outside catering can be arranged for special events, please see the canteen manager.

#1 Party Platter \$7.00

It'll be smiles all around with this freshly made fairy bread and popcorn platter: a colourful and fun way to share a special day.

#2 Cupcake Platter \$15.00  
with jam and cream \$20.00

Everyone in the class will receive a fancy cupcake or mini cupcake. The one in the middle with the candle is for the special person of the day!

#3 Fresh Fruit Platter \$20.00

A big plate full of delicious fruits to share! Plus a cupcake with a candle for the birthday boy or girl.

#4 Hot Platter \$20.00

A yummy platter of finger foods: homemade sausage rolls, pizza, tuna and potato balls, all served with complimentary sauces.
