ASCOT PARK PRIMARY SCHOOL
Specialist Physical Education & Sport School

SOCCER PROGRAMME 2016

SOCCER EXPECTATIONS AGREEMENT FORM

OUTLINE

Our Specialist Soccer Programme provides an opportunity for students in years 3 to 7 to develop his or her individual skills, team play and knowledge to the highest level, with a focus on developing lifelong participation in physical activity, leadership and citizenship.

Students who gain entry to the programme will most likely be in the Sports Specialist Class. The school will determine the number of available spaces in the Soccer Programme. The curriculum will have a soccer focus with a practical component 2/3 mornings per week. These skill sessions will be conducted by a certified skills coach.

There will be an additional cost ($200) on top of school fees ($250) to assist with payment of the skills coach.

Students in their first year of the programme will receive a ‘Soccer Specialist’ school shirt which may be worn each day. Students who have been in the programme previously or those who wish another shirt may order them at $30 each.

STUDENT EXPECTATIONS: STUDENTS MUST MEET THESE CRITERIA

- Display a ‘reasonable’ level of skill or aptitude to learn
- Attend ALL sessions unless ill or injured
- Play for the APPS school team each ‘Sunday’ morning during the season (there will be a cost involved)
- Play for the school team during SAPSASA events
- Attend ALL training sessions, which may include before and/or after school sessions
- Display our school values at ALL times
- Pay ‘Specialist Soccer’ fees ($200) – this may be arranged through direct debit each term

I have read the programme outline and student expectations.

I acknowledge that I can be removed from the programme at any time if I do not fulfil any of the student expectations.
